

6. Marta's Heartburn

Cue: "...something unexpected has happened..."

Marta Oh what's this ob-ses-sion that's

5

sud-den-ly hit? I can-not stop think-ing of Bar-ton. On a

8

tree by my win-dow a lit-tle tom tit, I swear was re-peat-ing "Dick

11

Bar-ton". This chir-py in-sis-tence was fil-ling my head, so I

14

got a re - vol - ver, and shot the bird dead. // But the whole bloo - dy gar - den just

17

sang it in - stead! A love - ly dawn cho - rus of "Bar ton!" -

20

I ran to the priest, beg - ging

23

"Fa - ther oh please, de - li - ver this sin - ner from Bar ton!" But

la - ter I found my - self back on my knees, I can't get e - nough of Dick

Bar - ton. I've whipped him and hit him, and

starved him for days, and hu - mi - li - a - ted him

hun - dreds of ways. But he still says "Good morn - ing", and I'm in a daze! Dick

36

Bar-ton say it loud and a band is play-ing, say it

39

soft and it feels like you're pray ing. Dick Bar-ton, I'll

42

ne-ver stop say-ing, Dick Bar-ton, Dick Bar-ton, Dick Bar-ton!
